Frequency Table X-Base

Frequency Table X-Base

- The Frequency Table X-Base is a family of durable tables with many customizable properties and available sizes.
- Work surfaces are available in round or rectangular shaped tops, with fixed or height adjustable frames. Height adjustable frames are spring clip adjustable from 26"-35", while fixed frames are available in heights of 29", 36", or 42".
- Standard with glides or casters.
- Frame available in platinum, charcoal metallic, or black finish.
- Available in a variety of laminates: please view our Material Color Reference Sheet for an extensive list of standard & designer laminates: www.vanerumna.com/material-color-reference-sheet/
